**Payment Methods**

All checks that are returned for Non-Sufficient Funds (NSF) will result in a \$30 NSF fee. These fees are due within 10 business days or on the next visit from our driver, whichever comes first. This may result in no checks being accepted (Cash, Credit Card, or Cashier’s Check only). The following procedure will be followed upon the receipt of an NSF check:

- A. Upon the receipt of the first NSF check you will be required to provide a valid credit card to be kept on file for future purchases in the event that we receive another NSF check.
- B. If we receive 2 or more NSF checks within a 60-day period your check privileges are immediately revoked.

In the event that a check is returned for NSF, and the customer refuses to cover the total of the check and \$30 NSF fee, an authorized collection agency will be notified. The customer is then responsible for the total of the check, the \$30 NSF fee, and any other monies accrued as a result of collecting the check including, but not limited to, court costs, attorney fees, outside agency fees, and interest at the maximum legal rate in the event of any default under this obligation.
